

The little boy in the video is going to teach you about materials. Listen to him and answer:

Can you say which things are made of wood?

Name the things which are made of cotton.

Cloth Knife T-Shirt Door Coin

Which things are made of metal?

Two properties of metal are...

What is the lego made of?

Metal

Wood

Plastic

Cotton

Ceramic

The two things which are made of glass are...

What is the wall made of?

Metal

Plastic

Stone

Cotton

Wood

Glass

Which things are made of rubber?

Name one thing made of ceramic...

Now it is your time to find things at home and write what they are made of .
