

What do you like about your hometown?

What I like about my hometown is that there are many and

..... It is a truly place. Not many places in the world have that kind of view.

I like the convenience and modernness of my hometown. There are a lot of convenience stores,, and futuristic shops. I also like the night view of my city. At night, the buildings with lights on make for a beautiful scene.

I like how the people in my hometown are so friendly. It's a really community and there are many, which are hard to find in big cities.

I like its cultural atmosphere. Within the city, you can see beautiful the city, there are some stores that sell interesting handmade stuff.

What do you not like about your hometown?

I suppose my least favorite thing about it is the lack of fun things to do or see. Most shops are It's not the most exciting place, so sometimes I feel a little bored.

What I dislike about my hometown is how expensive it is to live in. The cost of living there is too high. You can hardly find an affordable shop. are all over the place.

How has your hometown changed over the years?

It has developed much better public transport, especially the metro, which has really improved the overall accessibility of the city., there have been a few improvements as well: several new and supermarkets have appeared, which we didn't have before.
