# THE SUMMER HOLIDAYS ARE COMING !

Hi guys! Now I am trying to do my homework, but I must say that I am looking forward to the next summer holidays. My family, that is my father John, my mother Susan , my little sister Sue and me, Mike, are going to leave our small terraced house in London at the end of July and go to Brittany in France in a camp site by the sea, near Saint Malo. There, we are going to do nothing but lie on the beach, sunbathe, make huge sand castles, swim, ride our bikes.. I have been there already, it was last year, and I know there can be some wind at times, so I am going to take my brand new kite with me. I am sure to meet some new friends in the camp, that will be great to play or go to the beach together even if I have to look after my little sister as well. My parents will probably organize big barbecues and invite neighbours after spending the day on the beach, they like meeting new people. We are going to go and visit Mount Saint Michael, we will also go to some nice "crêperies" or eat the famous Sanchez ice creams!! Yet I hope the weather will be nice, because there, in Brittany, you never know!! Some days were quite cold and rainy last year, but I don't mind because it will just be the holidays !!!
