

Instruction

Listen to the audio carefully and rearrange the paragraphs. You can use numbers (1,2,3 and so on) to indicate its correct sequence. Then, share your understanding of the audio with a short summary with your friends.

Audio

I prefer sweets to meat. Birds and flowers of all kinds are very dear to me.

I like the game badminton and netball alike. I like to meet my friend very often.

I don't like person who talk ill behind my shoulder. All the members of my family appreciate my likes and dislikes

Like every human being I have many likes and dislikes. I like to play badminton, read detectives stories and watch stories on TV.

I also like to travelling by train. I like seeing the Discovery channel.

I have many dislikes too. I dislikes early rising. I dislikes the text books.
