

We plant a Seed

by Sharon Gordon

- Listen and Choose

What does a seed need to grow?

milk	water	bed	soil
instant noodles	snacks	sunlight	

- Put the steps in order

step1 → step2 → step3 → step4 → step5

--	--	--	--	--

put soil in pots	put soil again	put seeds in pots	move close to the window	water the soil
---------------------------------	-------------------------------	----------------------------------	---	-------------------------------
