Subject: Hello Jamie!

Hi Jamie, it's Carla!

I hope you are doing great, I am fine. I send you this email to tell you that my community is organizing a party for Independence day on Saturday, the decorations are so pretty with the colors of our Mexican flag, green, white and red. I am happy because every neighbor will cook a traditional dish, and my family and I will prepare pozole, so yummy! I will send you pictures of the party.

What traditions are important in your community Jamie? I would like to know the activities you do in Greece.

Take care!
