**READING:****MALEFICENT AND HER WORLD**

This is Maleficent. She is a beautiful, friendly girl. Maleficent is not a human girl, she is a fairy so she can fly and fix<sup>1</sup> broken plants<sup>2</sup>. She is very popular so<sup>3</sup> all the creatures in the kingdom<sup>4</sup> know her. She lives in an old tree on a cliff in the Moors.

The Moors are a magical forest and Maleficent lives there with other wonderful<sup>5</sup> magic creatures, next to a human kingdom. There is not a king or a queen in the Moors because the inhabitants in the Moors trust on one another<sup>6</sup>.

Next to the moors there is different kingdom. This kingdom is not a beautiful place because its king is not a good person, he is a greedy<sup>7</sup> and evil<sup>8</sup> person and people are not happy.
