

# Porsche Book – Word Formation

Read the text and use the word given in capitals at the end of some of the lines to form a word that best fits the gap.

Many of the world's biggest brand names had very humble (1) \_\_\_\_\_.

The car manufacturer Porsche is no (2) \_\_\_\_\_. Whether you are a fan of fast sports cars or not, reading about the (3) \_\_\_\_\_ of a small business into a large internationally renowned company makes for interesting reading.

This is the story of the company's rise to fame and covers eight decades and the book includes a wonderful (4) \_\_\_\_\_ of two hundred glossy photographs, including what is (5) \_\_\_\_\_ one of the most famous cars ever, the shiny Porsche 718 that will be forever associated with the (6) \_\_\_\_\_ actor James Dean, who famously crashed one in 1955.

This is a very classy coffee table book that is both (7) \_\_\_\_\_ and informative. It isn't cheap at £85, but if you are a fan of (8) \_\_\_\_\_ sports cars, you may well find it (9) \_\_\_\_\_ to resist.
