### **Read the text and answer the questions.**

Today, most people in the world have electric lights and cell phones. People still have to do chores, but in their free time, they can watch TV, make calls, and play video games.

Of course, not everybody lives this way. Many families don't like to spend a lot of time in front of the computer or TV. They prefer to go hiking or go on picnic.

### V – EOW4 – 8
