Standard Kandungan
1.1 Sistem saraf manusia

Sistem saraf manusia
The human nervous system

Tarikh:

Buku teks m/s 4 – 5

- 1 Labelkan sistem saraf manusia yang diberi di bawah. **TP1**
Label the human nervous system given below.

Saraf tunjang Saraf spina Sistem saraf pusat Saraf kranium Otak Sistem saraf periferi
Spinal cord Spinal nerves Central nervous system Cranial nerves Brain Peripheral nervous system

GaleriInfo

Saraf kranium menghubungkan otak dengan organ deria. Saraf spina menghubungkan saraf tunjang dengan otot rangka.
The cranial nerve connects the brain with the sensory organs. The spinal nerves connect the spinal cord to the skeletal muscle.
