1. Reading comprehension

► Mikhail, age 24

I'm a post-graduate student studying geology. I'd be a good flatmate because I tend to **keep myself to myself**. I'm not unfriendly but my idea of a perfect evening is to **spend the night in**, order a takeaway and watch a DVD or maybe play computer games. I'm not a computer **geek**, though. Like any student, I'm often **short of cash**, but I'm not **tight-fisted**, I don't mind paying my share. I can be quite messy – I often bring rocks home to work on. I'm usually up and out before 7.30 in the morning.

► Claudia, age 34

I'm a professional cook in an Italian restaurant. I work late so I don't like being disturbed in the morning. I'm a **people person** and love inviting friends round and cooking for them. I **am very particular about order**, especially in the kitchen – if there's one thing I hate, it's a messy kitchen. I also get annoyed if I'm the only one cleaning up or people don't **pull their weight** around the house. My friends say I'm very sensible and practical, really **down-to-earth**.

► Pat, age 28

I'm a lawyer and sing with a band in my spare time. I've got a good job and a decent salary, but at the moment I'm being careful with my money as I'm **saving up for a new sound system for the group**. I'm often **out until the early hours** because of late night gigs with the band. People say I'm **a good laugh** but I can be pretty serious too – I sometimes bring the band back after a gig and I can really **get into** talking about politics – I love a good discussion.
