- A. I've got a problem. My computer doesn't start.
- B.No, I haven't. I'll try it now. Wait a little.
- C. If I were you, I would try to save money myself.  
Why don't you do some chores for the neighbours?
- D. Have a nice day!

Ben: Hey, Carol. What's the matter? You look really fed up.

Carol:

Ben: Have you tried switching it off and on?

Carol:

Ben: I think, everything is OK now?

Carol: Yes, thank you. But now it's very slow. I'd really like a new laptop, but my parents can't afford buying it.

Ben:

Carol: That's a good idea!

Ben:

Task 5. Listening Klick here: [https://drive.google.com/file/d/1INj6l6XKCBwdR3s-GPWIGFbPx\\_Kw7nOU/view?usp=sharing](https://drive.google.com/file/d/1INj6l6XKCBwdR3s-GPWIGFbPx_Kw7nOU/view?usp=sharing)

You are going to hear five different people talking about how they use computers to learn.

**Listen and match the speakers and the statements.**

|                  |  |
|------------------|--|
| <b>Speaker 1</b> | a. My friend copied someone else's writing and said it was hers. |
| <b>Speaker 2</b> | b. I write to someone who is much older than I am.               |
| <b>Speaker 3</b> | c. I learned a foreign language using the Internet.              |
| <b>Speaker 4</b> | d. All the information for my presentation has gone.             |
