6. €55.20 =

7. \$4.95 =

8. £5.90 =

9. €6.30 =

Practice 2: Read this dialogue. Then, answer the following questions

Waitress : Hi there, can I help you?

Adam: Yes, can I have one hamburger and one cheese pizza, please?

Waitress: Sure. Would you like to try our special menu, spaghetti Bolognese and lasagna?

Adam: No, thanks.

Waitress: What about desserts?

Adam: Give me one root beer float, please.

Waitress: Anything else?

Adam: Oh yes, I'll have two hot chocolate, please.

Waitress: OK. That's _____, please.

Adam: Here you are.

Waitress: Thank you!

- 1. Calculate the total price of Adam's meal.**
- 2. Do you think that Adam's meal is very healthy? Give two reasons.**
- 3. If you are given \$10 to buy your meal. Which menu will you choose. Give reason for your choice.**
