

Choose the right answer based on the passage below.

One day, Ruren was stung by a bee. She was in pain. She quickly asked Miss Malini for help.

First, Miss Malini removed the stinger. Then, she used ice to reduce the swelling.

Miss Malini also told Ruren to rest her arm. Finally, she called Ruren's parents to bring her to a clinic.

1. Ruren was stung by a bee. ☐
2. First, Miss Malini called Ruren's parents. ☐
3. Then, she removed the stinger. ☐
4. Miss Malini also told Ruren to sleep. ☐
5. Finally, Miss Malini brought her to a clinic. ☐
