Unit 2: Lesson 1: Making Camp

D. Listen, Read and Answer.

Star Camp

When I was on vacation, I went to a camp where boys and girls look at the stars. At the campsite, a boy named Jason was setting up his tent. I asked him what he was learning about the stars.

"I'm learning their names and how to read a star map," said Jason.

"It's a lot of fun."

"When is the best time to look at the stars?" I asked.

"The best time to look is late at night, when it's clear and not cloudy," said Jason.
