

Sequence the Strips on 'How To Make Popcorn'

Drag and drop the instructions below the correct numbers, to help us complete the procedure for making popcorn in a correct order.

Step 1	Step 2	Step 3
Step 4	Step 5	Step 6

Eat the popcorn.

Put the kernels into the popcorn maker.

Add some salt and some butter.

Wait until all kernels stop popping.

Plug in your popcorn maker.

Pour the popcorn into the bowl.
