

1. COMPLE THE TEXT WITH WILL OR WON'T AND THE VERBS IN BRACKETS.

English (not be) so popular in 2035. But Chinese and Portuguese(become) very important. Pupils (not learn) with CDs and DVDs: instead pupils (chat) to students their age in other countries to practise languages. In the future students (not have) the chance to gossip with friends between the lessons because everyone (learn) at home. So students in 2035 (feel) lonely?
