Johnny What's your favourite sport?

Pete I like walking and jumping on things – so it's **gymnastics**, I think. Or maybe [1] ..... because I love animals. What about you?

Johnny I love running and jumping so [2] ..... is my favourite sport. But at school we're learning a new team sport. You use your hands to move the ball up in the air. It's called [3] .....

Pete Oh I'm terrible at that! And what about sport on TV?

Johnny I like watching Japanese sumo [4] ..... ! But it isn't on TV very often.

Pete Yes, that's really cool. I love watching fast team games like [5] ..... – my favourite team is Chelsea. I also enjoy watching [6] ..... – it's great when the players run with the ball. I'm into winter sports like [7] ..... too.

Johnny Yeah, I like doing dangerous sports outside. I love [8] ..... and [9] ..... in the mountains in winter.
