Johnny What's your favourite sport?

Pete I like walking and jumping on things – so it's
 1 **gymnastics**, I think. Or maybe
 2 because I love animals.

What about you?

Johnny I love running and jumping so
 3 is my favourite sport. But
 at school we're learning a new team sport.
 You use your hands to move the ball up in
 the air. It's called

4

Pete Oh I'm terrible at that! And what about
 sport on TV?

Johnny I like watching Japanese sumo
 5 ! But it isn't on TV
 very often.

Pete Yes, that's really cool. I love watching fast
 team games like 6 – my
 favourite team is Chelsea. I also enjoy
 watching 7 – it's great when
 the players run with the ball. I'm into winter
 sports like 8 too.

Johnny Yeah, I like doing dangerous sports outside. I
 love 9 and 10
 in the mountains in
 winter.
