3. The first people to live there were
4. There is a very highin the park.
5. Many people go there to
6. There is also a tree in the park.
7. The name of the tree is

III. Read the text and choose the correct answers.(5marks)

My field trip

Yesterday was my school's trip. We were in a national park. There was a lake, and two mountains behind the lake. There was an island in the lake. There was a beach by the lake. It was very long. There was a hill on the island. On the hill, there were two short trees. There was also a forest near the lake. In the forest, there were some animals. There were some birds, and there was even a snake. It was a fun field trip.

1. There was/were two mountains behind the lake.
2. There was/were an island in the lake.
3. The beach by the lake was/were very long.
4. On the hills the trees was/were short.'
5. It was/were a fun trip.

Good luck!!!!
