The image shows a topographic map of Sulawesi Tengah province, Indonesia. The map is titled "PROPINSI SULAWESI TENGAH" at the top. It features a color-coded topographic relief showing elevation, with green for lower elevations and brown/orange for higher elevations. Key geographical features are labeled with arrows pointing to empty text boxes:

- Top center: An arrow points to a box, likely for the province name.
- Top right: An arrow points to a box, likely for the capital city (Pohuwato).
- Right side (top to bottom): Three arrows point to boxes, likely for major cities (e.g., Palu, Bontomatene, Bontolene).
- Bottom right: Two arrows point to boxes, likely for geographical features like Lake Matene and Lake Matene.
- Bottom center: An arrow points to a box, likely for the province's location within Indonesia.
- Bottom left: Two arrows point to boxes, likely for the province's location within the Indonesian archipelago.
- Left side (top to bottom): Three arrows point to boxes, likely for major cities (e.g., Palu, Bontomatene, Bontolene).
- Bottom left: An arrow points to a box, likely for the province's location within the Indonesian archipelago.
