

Listen to "Bad Habits" by Ed Sheeran and complete the lyrics

Every time you come around, you (1)_____ I can't say no
Every time the sun goes down, I let you take control
I can feel the paradise before my world implodes
And tonight had something (2)_____

[CHORUS]

My bad habits lead to late nights, ending alone
(3)_____ with a stranger I barely know
Swearing this will be the last, but it probably won't
I got nothing left to (4)_____, or (5)_____,
or (6)_____

My bad habits lead to wide (7)_____ starin' at space
And I know I'll lose control of the things that I say
Yeah, I was looking for a way out, now I can't escape
Nothin' happens after two, it's true, it's true
My bad habits lead to you

My bad habits lead to you (x2)

Every pure (8)_____ ends when the good times start
Fallin' over everything to reach the first time spark
Started under neon lights and then it all got dark
I only know how to go too far

[CHORUS]

My bad habits lead to you

We (9)_____ the long way 'round
And burned 'til the fun (10)_____ out, now

[CHORUS]

My bad habits lead to you (x2)

Missing Words

Wonderful

Intention

Ran

Lose

Conversations

Use

Eyes

Do

Took

Know

KEYS:

Every time you come around, you **know** I can't say no
Every time the sun goes down, I let you take control
I can feel the **paradise** before my world implodes
And tonight had something **wonderful**

[CHORUS]

My bad habits lead to late nights, ending alone
Conversations with a stranger I barely know
Swearing this will be the last, but it **probably** won't
I got nothing left to **lose**, or **use**, or **do**

My bad habits lead to wide **eyes** starin' at space
And I know I'll lose control of the things that I say
Yeah, I **was looking** for a way out, now I can't escape
Nothin' happens after two, it's true, it's true
My bad habits lead to you

My bad habits lead to you (x2)

Every pure **intention** ends when the good times start
Fallin' over everything to reach the first time spark
Started under neon lights and then it all got **dark**
I only know how to go too far

[CHORUS]

My bad habits lead to you

We **took** the long way 'round
And burned 'til the fun **ran** out, now

[CHORUS]

My bad habits lead to you (x2)
