

# RESPONDE CON RESOUESTAS LARGAS EN EL MISMO TIEMPO DELA PREGUNTA

Once upon a time, in the middle of the forest there was a river, and that river lived an old crocodile. He was not able to hunt anymore because he was weak. One day he was hungry. Oh it is very difficult to hunt on land now.

Then he sat under a tree. A monkey saw the crocodile and Asked. "why are you so sad crocodile?" Take some apples they are very tasty. "thank you dear monkey. can you please give me these apples every day? Ok crocodile.

1-Where was there a river?

2-Who lives in the river?

3-How was the crocodile?

4-Is the crocodile strong?

5-Where did the crocodile sit?

6-Who saw the crocodile?

7-Who did the monkey see?

And the monkey gave the crocodile some apples, and the crocodile eats the apples every day. One day he thought to eat the monkey heart, so he thought an idea.

He asked the monkey that "my friend want to meet you". the monkey was happy and said. "Yes I will be very happy to meet him". He sat on the crocodile's back. But when they were in the center of the river he told the monkey that. "i want to eat your heart. And now i can eat your heart"

8-What did the monkey give to the crocodile?

9-Does the crocodile eat apples every day?

10-What did the crocodile think one day?

11-Was the monkey happy?

12-Where does the monkey sit?

13-Does the crocodile want to eat the monkey's heart?

The monkey thought of a plan. He said to the crocodile. "crocodile but i forgot my heart on the tree. So the crocodile said that "go and take your heart and give it to me.

The monkey said that. "what a foolish crocodile you Are. how you can take the heart from the body. and i gave you so sweet apples but now i will never give you those apples. Now you are not my friend. the crocodile was very hungry and realized his mistake.

14-Does the monkey think a plan?

15-Can you take out your heart from your body?

15-Was the crocodile foolish?

16-Did the crocodile realize his mistake
