

Bad Habits

[Ed Sheeran](#)

One, two, three, four
Ooh, ooh

Every time moment you come around, you know I

can can't say no

Every time the sun goes up down, I let you take control
I can feel the nightmare paradise before my

world word implodes

And tonight today had something wonderful

My bad habits lead to late nights, endin' alone

Conversations with a friend stranger I barely know

Swearin' this will won't be the last, but it

probably will won't

I got nothin' left to lose, or use, or make do

My bad habits lead to wide eyes starin' at space

And I know I will won't lose control of the things

that I do say

Yeah, I was lookin' for a way out, now I can't escape

Nothin' happens before after two, it's true, it's true

My bad habits lead to you

Ooh-ooh, ooh-ooh

My bad habits lead to you

Ooh-ooh, ooh-ooh

My bad habits lead to you
