Dayang loves exploring places on her mountain bike. However, last month she had an experience she wants to forget. She was riding through the woods

while	during
-------	--------

 the sun was going down. She was admiring the beautiful colours in the sky and

as	because
----	---------

 of this, she didn't notice the deep hole in the ground and fell into it. But worst of all, her arm was caught between two rocks. They were

so	such
----	------

 heavy that she couldn't move them.

As a result

Because of	
------------	--

, she couldn't get out of the hole.

While	So
-------	----

She started calling for help, but there was no answer.

In fact	For this reason
---------	-----------------

there was nobody around for miles. Night came and Hana was terrified, cold and in a lot of pain. She was exhausted and exhausted and decided to get some sleep. But

just as	at that moment
---------	----------------

 she was closing her eyes, she heard a car nearby.

Later	Then
-------	------

 an idea came to her. She reached her bike with her other hand, turned on the light and moved it around. Fortunately, the driver of the car saw the light and came to see what it was. Hana was saved!
