One of my favorite TV shows is about detectives who investigate _____ crimes. In the last episode, they were looking into a murder that had happened over ten years ago. The suspect who was _____ at the time was the victim's ex-boyfriend and _____ a long criminal record - but he _____ his innocence with a watertight alibi.

The detectives then began to investigate the person who had found the girl's body and _____ the crime. He had never _____ the law, but a man who matched his description had been accused of an _____ kidnapping of another young woman around the same time.

The police called him in for questioning, and the alibi that he _____ didn't match the one on record. They then _____ DNA evidence from the new suspect, and it proved that he had indeed _____ the crime. It took more than ten years, but justice was finally served!
