A MEMORABLE JOURNEY

Dearest Dayana,

1 I hope everybody is well after the hectic week in preparation for the wedding. My family and I arrived home safely two days ago. All of us were grateful for the kindness and hospitality of your family. Everyone enjoyed the wedding and the trip to Langkawi.

Your sister's wedding was very simple but memorable. 2 She was just lovely as well as elegant during the reception afterwards. The food served was marvelous. I love the 'biryani' rice and the spicy chicken very much. The curry mee, the durian porridge and the various local cakes were really delicious. I felt so full because I had eaten so much that day! 3

The trip to Langkawi was exciting. It was my first experience to take the cable car ride because I am afraid of heights. The ride was a bit scary for me but I love the view from the top of Gunung Mat Cincang. 4 Mom was a chocolate lover and she was thrilled to see all those chocolates! She bought a lot of them, for herself and her friends here! However, she was not very interested in the cookware. 5

I think it is enough from me. Thanks again for the wonderful time we had there. I hope you and your family will have the opportunity to visit us here in the future.

6 Goodbye for now, my dear.

Your loving friend,

Yuli
