

# All about Maths

## 1. Look, read and write

fifty forty seventy sixty thirty

1 How much are the yoghurts?

They're forty pence.

2 How much is the popcorn?

It's 70p pence.

3 How much is the water?

It's 30p pence.

4 How much are the cherries?

They're 60p pence.

5 How much are the birthday cards?

They're 40p pence.

## 2. Write and say

Thirty and twenty is fifty.

1

+

$$30 + 20 = \underline{\hspace{2cm}}$$

2

+

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

3

+

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

4

+

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$
