## Review

Unscramble the words to create sentences and questions in present continuous.

1 Las Vegas / betting / I / in / money / am

2 having / are / tonight / we / fun / ?

3 remote / is / the / holding / time / she / control / the / all

4 with / are / problems / time / you / wasting / those

5 ? / soccer / is / this / he / playing / moment / in

According to the answers, write appropriate questions in present continuous.

1 I am studying English at First Class Institute.

2 No, she isn't. Actually, she's traveling to Peru in this moment.

3 They are celebrating Mario's birthday tonight.

4 We are watching the game, it is exciting.

5 No, I am not. I work night shift.

6 I am cooking a steak with mashed potatoes.

Choose the most appropriate verb in the box to complete the sentences.

|     |         |          |        |        |          |          |
|-----|---------|----------|--------|--------|----------|----------|
| are | reading | writing  | are    | having | are      | planning |
| are | is      | swimming | having | are    | studying |          |
