

练习题- 认识其他的电脑设备

除了电脑的基本设备，
我们一起来认识其他的
电脑设备。

The circular graphic is divided into four segments, each containing a different computer peripheral device and a label:

- Blue segment (top-left):** Contains an image of a printer and a white label.
- Red segment (top-right):** Contains an image of a headset and a white label.
- Green segment (bottom-left):** Contains an image of two speakers and a white label.
- Yellow segment (bottom-right):** Contains an image of a voltage regulator (AVR) and a white label with the text "(AVR)".

In the center of the circle is a smaller white circle containing an image of a desktop computer system (tower, monitor, keyboard, mouse).
