But you brought me here and I'm happy that you did
'Cause now I'm as free as birds catching the wind

I always thought I would sink, so I never swam
I never went boatin', don't get how they are floatin'

I never came to the beach or stood by the ocean. I never sat by the shore under the sun with my feet in the sand

But here I am next to you. The sky is more blue in Malibu

We watched the sun go down as we were walking
I'd spend the rest of my life just standing here talking

You would explain the current, as I just smile
Hoping I just stay the same and nothing will change
