Volleyball

Complete:

Points	team	game	net	players	sets

Volleyball is played by two teams on a 18m x 9m court divided by a _____(2.43m high for men, 2.24m for women). Each team at the Olympic Games is allowed up to 12_____, but only 6 play on court. The _____ starts with a serve that sends the ball over the net to the opponent's side. Teams are allowed to touch the ball three times before it must cross over the net into the opponent's court.

Speed, height and power are the highlight of the game

Volleyball matches are played to the best of five _____. Each set is played to 25 _____ with a team needing a two-point advantage to win the set. When a team wins a point they serve next. The first _____ to win three sets wins the match.
