The image shows a matching exercise with two rows of ice cream cones. The top row contains four cones with the following toppings: 1) colorful sticks (candy), 2) a beach ball, 3) a red cap, and 4) a hand. The bottom row contains four cones with the following toppings: 1) a slice of papaya, 2) a foot, 3) a nose, and 4) a blue bottle. The task is to connect the cones in the top row to the cones in the bottom row based on the final sound of their names.
