3. What advice will you give your friends who do not practice these safety measures?

I will cross only when I see the green light.

I will walk facing oncoming traffic to make sure the drivers can see me.

Yes, they're. They're important to prevent any accidents or injuries.

I will be extra cautious and be aware of the traffic on the road.

I should advise them about the consequences if they're not practicing them.

I will step on the staircase carefully without running.

I will wear suitable outfit and clean the surrounding before playing .
