My name is Antony Smith. I in 1989 in a small town of Cobourg. I with my grandparents because my parents died when I was young. I and there I reasonably well. I thought, when I leave school, I would and probably . However, it didn't quite go as planned. I have with a pretty girl, called Elen, and we soon (the next month, actually) . But Elen didn't like to stay in one place for a long time. So, we started travelling together. In order to drive our van, I and we went across all the North America. I never , but my hobby of woodcarving brought us enough money to go on. I made sculptures, Elen painted the sceneries of the places we travelled to. I hope this is how it will be, even when I with her.
