

"Outdoors"

All day I've been inside

And I've got the feeling

I'm trapped between the walls

And underneath the ceiling

I feel a bit off track

And I'm trying to get back

Back in the cool, cool air where the sun is
shining

Nothing's going to stop me

It's all in the timing

It's finally again my turn

It's time to return

'Cause I won't stay inside no more

No more

I can not wait to go OUTDOORS.

Well open up your door and be like me

Open up your door and then breathe free

And look at all the beauty you'll feel

Loved, loved, loved, loved

Listen to the music of the wind and the
birdies sing

We're just one big family

And all of nature deserves to be

Loved, loved, loved, loved, Loved

So, I won't stay inside no more

No more

It can not wait, I'm sure

There's need to run and hide

Let's go explore

It feels so great let's go OUTDOORS

(Don't cha do)

Everyone come on

come on out here

Where the air is fresh and clear

So, I won't stay inside no more

No more

It can not wait

Let's go OUTDOORS

Well, open up your door and be like me

Open up your door and then breathe free

And look at all the beauty and you'll find
the earth and the sky is yours

*So please go, there's no need,
there's no need to hide inside*

Let's go explore

This will, this will feel so great

Let's go outdoors
