

Recycling process

1) Look at the list of containers and materials and indicate in each word if it refers to material (M) or container (C).
Mira la lista vocabulario sobre contenedores y materiales, indica al lado de cada palabra si se refiere a material o contenedor.

Aluminium	glass
(carrier) bag	jar
Bin	packet (of biscuits/crisps)
Bottle	paper
Box	plastic
Can (of cola)	(yogurt)pot
Cardboard	steel
(juice/milk)carton	tin (of baked beans)

2) Mira la imagen y escribí el nombre del contenedor.

3) Lee las oraciones y elegi la opción correcta, después indica si es una oración **pasiva** (P) o **activa** (A)

- 1) Garden chairs **IS/ARE** made of plastic
- 2) Many containers are **MAKE/MADE** of plastic
- 3) Coca Cola **SELLS/SOLD** drink all around the world
- 4) Toyota **MAKES/ IS MAKE** cars
