

WHY READING MATTERS

Here Are Some of the Reasons Why Reading Is So Important for Children to Read

We're always telling children that books and reading are good for them, but have we ever really thought 1) _____ why that's true? Exactly what do older children get out of reading novels? What do younger kids get from reading children's stories and being read to? Does reading matter?

The purpose of this article is to say that, yes, it's true, reading really is important, and that there are some solid reasons 2) _____ that is so. Let's begin with the practical benefits and then move on to the less tangible rewards of a life filled with reading.

Reading is an important skill that needs to be developed in children. 3) _____ only is it necessary for survival in the world of schools and (later on) universities, but in adult life as well. The ability to learn about new subjects and find helpful information on anything 4) _____ health problems and consumer protection to more academic research into science or the arts depends on the ability to read.

Futurologists used to predict the death of the printed word but, ironically, Internet has made reading more and more a part of people's daily lives. The paperless society is a myth. The computer's ability to process and analyze data means that endless variations on reports and other types of documents can be and are generated. Internet, itself an enormous new source of information and recreation, is based 5) _____ the humble written word. To effectively utilize the web and judge the authenticity and value of 6) _____ is found there, both reading and critical thinking skills are of prime importance.

The more children read, the 7) _____ they become at reading. It's as simple as that.
