A Drunk Pilot

There were 102 passengers on the plane. They waiting for the plane to take off. But plane was just sitting there. The plane could take off without a pilot. The co-pilot was on board. But the pilot was not. Where the pilot? The flight attendants didn't know. The didn't know. The passengers didn't know. Finally, the got on the plane. He was singing and He waved to all the passengers. He said He told them his name--three times. His eyes bloodshot. His breath smelled of alcohol. He said, "..... you all ready to fly? We're going to We're going to fly high into the sky." passenger close to him was angry. "Why are so late?" The pilot said, "I'm not late—you're!" He laughed at his own joke. "You're drunk," passenger said. He dialed 911. The police came. talked to the pilot. They took him off plane. He was still laughing and singing. "Mom, the police take the pilot to jail, who fly our plane?" a little boy asked his The flight attendant announced that a new pilot arrive shortly. Many passengers looked at their watches.
