

## DESCRIBING ANIMALS

### • Read the description.

#### PETER'S FAVOURITE ANIMAL

My favourite animals are tigers.  
They are orange, black and white.  
They have got black stripes.  
They have got big bodies and long tails.  
Tigers can swim but they can't climb trees.  
They eat meat.

Write a description of your favorite animal. Remember to write the topic sentence, details, and concluding sentence. Use sensory language to describe.

A large, empty rounded rectangular box intended for writing a description of a favorite animal.
