# NOUNS

También podemos clasificarlos en:

| Singular                                                                          | Plural                                                                            |                                                                                   |                                                                                     |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| This means only one.                                                              | This means more than one.                                                         |                                                                                   |                                                                                     |
| cat                                                                               | <u>-s</u>                                                                         | <u>-es</u>                                                                        | <u>-ies</u>                                                                         |
|  | bats                                                                              | foxes                                                                             | puppies                                                                             |
| button                                                                            |  |  |  |
|  |  | s, sh, ss,<br>ch, x, z                                                            | -y                                                                                  |

1. Add s to form the plural of most nouns

Example:

girl → girls

apple → apples

2. Add es to nouns that end in ch, sh, s, x, or z

Example:

bench → benches

dish → dishes

bus → buses

box → boxes

quiz → quizzes

3. For nouns that end in y with a consonant before the y, change the y to i and add es

Example:

candy → candies

puppy → puppies

4. For nouns that end in y with a vowel before the y, just add s

Example:

toy → toys

monkey → monkeys

5. For nouns that end in f or fe, drop the f or fe and add ves

Example:

loaf → loaves

knife → knives

6. For nouns that end with a consonant before an o add es

Example:

potato → potatoes

tomato → tomatoes
