Monkeys

long

swim

Animals live all around us,
All around you and me.
Animals live in the forest,
The mountains and the sea.

live in the forest
And they can swing in the
They've got arms and curly tails
And they can swing in the trees.

Chorus

Eagles live in the
And they can fly in the sky.
They've got sharp claws and silent
And they can in the sky.

Chorus

live in the sea
And they can swim and sing.
They've got strong tails and tiny
And they can and
