

Name: _____

Before you read...

1. Watch a video about 7 amazing technologies we'll see by 2030

Opinion

Which do you think is more likely to happen? Would you use it/buy it?

Write your response or create a Flipgrid, it can be a video about the topic.

<https://flipgrid.com/mas3429>

<https://flipgrid.com/a87023c3>

2. **Vocabulary:** Match the word with the correct definition.

dust

a trip made by or in an airplane or spacecraft

atmosphere

in spite of the possibility that

flight

fine particles of matter (as of earth)

though

a surrounding influence or environment

While you listen...

- A. Listen to four conversations about entertainment in the future. What four topics do the people talk about? Number the topics from 1 to 4. There is one extra topic.

Topic	
	live music
	reading
	theater
	travel
	virtual-reality games

- B. Listen again. Do the speakers agree or disagree? Mark with an X on the correct one.

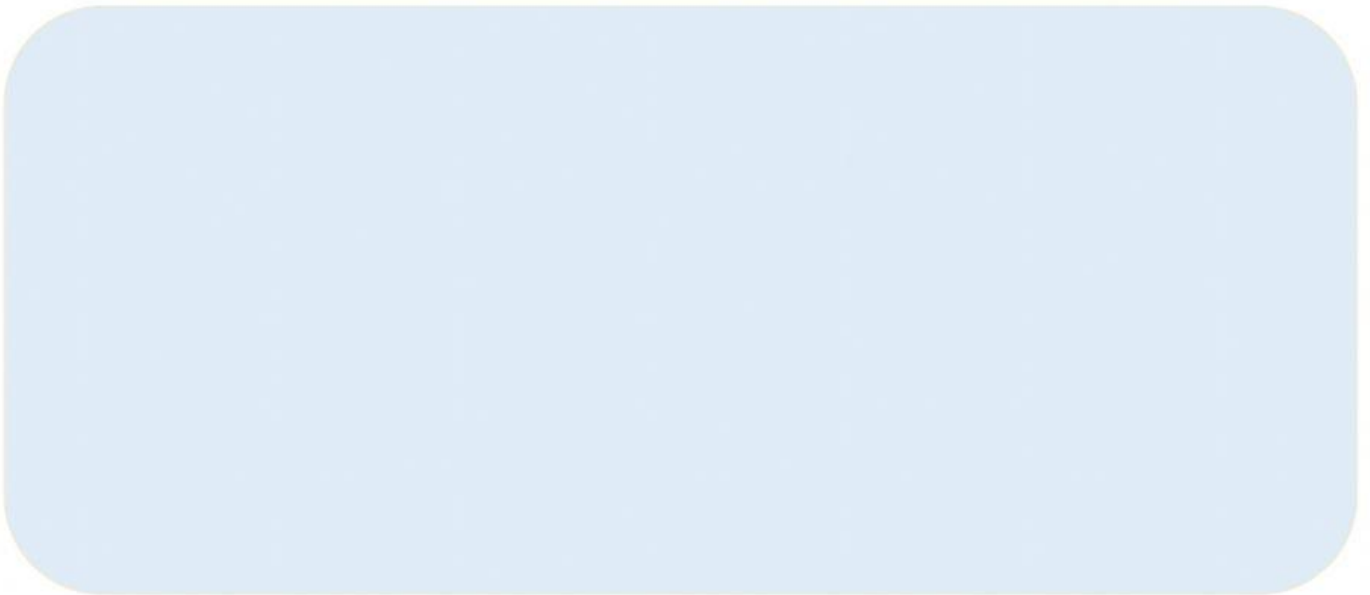

Topic	Agree	Disagree
live music		
reading		
theater		
travel		
virtual-reality games		

- C. Write if the sentences are true or false.

- I would say in the future that there'll be more printed books or magazines and everybody'll just download them or read them online.
- I think it'll be different. There'll be so many more people then, and I would imagine we'll be thinking a lot more about the environment.
- We usually play the golf and the tennis..they're pretty good. I mean, they're not so realistic.

After you read...

- Select one of the topics on page 67 exercise 3A. Write what you think will happen in the future.

A large, empty, light blue rounded rectangular box with a thin yellow border, intended for the student to write their response.
