You will hear five different people talking about a journey they have recently made. For questions 1-5, choose from the list (A-H) what each speaker says about the journey. Use the letters only once. There are three extra letters which you do not need to use.

A I arrived late at my destination.
B A friend drove me there.
C I was glad I'd bought an expensive ticket.
D At one point on the journey I didn't feel safe.
E I enjoyed a conversation with a fellow passenger.
F There was a marvellous view during the journey.
G I ate extremely well during the journey.
H I should have used a different means of transport.
