

READING COMPREHENSION

Michael was playing video games in his bedroom. Then, he suddenly heard an explosion nearby. He ran to the kitchen as quickly as he could. He could not believe his eyes when he saw his neighbour's house was on fire. He was scared but he managed to find his dad to tell him what happened. His father quickly called the fire brigade.

Soon, Michael could hear the sound of the siren getting louder and louder. He saw firemen getting down from the red truck and quickly putting out the fire. In the meantime, Michael's father found out that the neighbour was unhurt but his wife was injured. An ambulance came and took her to the hospital.

After one hour, the fire was put out. Michael's father insisted that Mr. Lee, the neighbour put up at their house until he got things sorted. He was sad but grateful to have a good and considerate neighbour.
