On futureme.org, people write to themselves in the future. MeToday has written three emails to her future self. Listen and read. How old will she be ten years from now?

SUBJECT Ten years from now

Dear FutureSelf:

It's 2018. I'm in my seventh-grade English class. Ten years from now, I'll be studying at a big university. I'll probably have a lot of classmates from different parts of the country and the world. I won't be making much money yet, so I'll be living in a small apartment near the university to save money. But I know I'll be successful after I graduate.

SUBJECT Thirty years from now

Dear FutureSelf:

It's 2018. Right now, I'm in seventh grade. In thirty years, I'll be living in London and learning to speak another foreign language, probably Japanese. I'll be working in a beautiful office with a great view of the Thames, and I hope I'll be running my own business. I won't be bringing up a big family because I'll be working hard. It's OK. I won't work long hours all my life. I really want to have children, a dog, and a cat, too.

SUBJECT

Fifty years from now

Dear FutureSelf:

It's 2018. I'm twelve years old this year, and I'm in seventh grade. Wow, I'll be sixty-two years old fifty years from now! I'll probably be living back home in my country. I definitely won't be working. I'll be living in a small house, enjoying my retirement. My grandchildren will be visiting me often. We'll be taking rides in my flying sports car!
