

Infinitive of purpose

We can use **to + infinitive** to say why we do something, to express purpose (to answer why?)

Друга частина речення, яка розпочинається з **to** відповідає на питання **Навіщо? Чому?**

I went on holiday to relax.

I am saving my money to buy a new phone.

I went home to sleep.

It was a hot day, so we decided

to play football.
