BURGERS AND FRIES

There is a food truck opposite Boulevard Mall which sells the best burgers. On days when my mother is not cooking, my family's first choice is the food truck's burgers and fries. These burgers are extremely delicious. The buns are freshly baked. We have a choice of chicken, beef or lamb burgers. The meat patties are home-made. The meat is seasoned with secret spices and grilled to perfection.

This food truck is open every evening from 7 p.m. to midnight. However, only a certain number of burgers are prepared so when the burgers are sold out, the food truck closes for the night. The burgers cost between RM 12 to RM 18. There are fries, wedges, mashed potatoes and salad as side orders. A serving of fries is RM 6, the same price as the other side orders, but it is enough for two. Most customers choose to have the salad.

The owners are a couple who started this business because they love burgers. The husband spent years getting the recipe right and started his business only when he was satisfied with his burgers. He prepares the meat patties while his wife does the side orders. He has always enjoyed cooking so when he retired as a teacher, he decided to start this truck business. They are doing very well because his regular customers keep coming back for more.
