- Aldo : Excuse me, Miss. Could you give me some suggestions on my problems, please?
- Miss Ani : yes, sure, Aldo. What is it about?
- Aldo : I feel like I am getting left behind, Miss. When my friend have understood a new material, I find it difficult to catch up. Do you think I need to join a cram school?
- Miss Ani : well, it depends. I know you are busy students with lots of activities outside the school. Are feeling too tired to study?
- Aldo : to be honest, that's true, Miss. I don't have much time to study at home.
- Miss Ani : then I suggest you to manage your time well. Don't just focus on your activities even though they also important. As a student, you should study well too. If you still get difficulty in catching up, then you'd better join some extra courses or hire a tutor.
- Aldo : All right, Miss. Thank you for your suggestion.
