

Part 1. Write true or false next to the statements below. If false, write the correct sentence below the false sentence. If the sentence is true, just write true on the line below the sentence.

1. _____ The consumption of alcohol is uncommon and not accepted in society.

2. _____ One should always cross at pedestrian crossing and respect traffic lights.

3. _____ Drugs can't change a person's mood or behaviour.

4. _____ Alcohol abuse can lead to a contagious disease called alcoholism.

5. _____ Many drugs, like cocaine, heroin and ecstasy, are illegal.

Part 2. Answer the questions below. Write C next to the correct answer(s) and X next to the incorrect answer(s). More than one can be correct.

1. Before diving in a pool, one should:

- make sure the pool is deep enough
- run along the edge of the pool to see how deep it is
- make sure there is no one under the water

2. Which can help prevent an accident?

- swimming near drainage areas in a pool
- handling knives quickly
- using non-slip mats in the bathroom to avoid falls

3. Why is it important to look both ways before crossing the street?

- because cars can come from either direction
- because bikers can come from either direction
- because cars and bikers can disobey traffic laws (running red lights, ignoring stop signs)

4. How can you avoid an accident at home?

- turn pan handles in when cooking
- handle hot cookware with oven mitts
- handle knives quickly

5. What does drug dependency mean?

- It means it's very hard for a person to stop taking drugs.
- It means that person has liver damage.
- It means that person is intoxicated 24 hours a day.
